

VENUES, DIRECTIONS and DISABLED ACCESS

Venues 2, 6 & 7 have level access and disabled toilets, however we recommend that all venues should be contacted directly for full information – phone numbers overleaf.

Each venue manages their own self-contained event and we ask that you treat the venue staff and performers, other visitors and members of the public with courtesy and consideration. Please also support the venues by buying at least a drink.

Allow approximately 15 minutes to walk from the railway station to the furthest venues 5, 6 & 8. Normal licensing laws apply.
