

VENUES, DIRECTIONS and DISABLED ACCESS

Venues 5, 6 & 8 have level access and disabled toilets, however we recommend that all venues should be contacted directly for full information. Additionally, there may be some busking taking place at various times inside the Corn Exchange on Market Hill.

Allow around 15 minutes to walk from the railway station to the furthest venues 4, 5 and 8, and around 10 to the nearest venue 6. Normal licensing laws apply but **venues 1 and 9 are strictly 18 years plus.**

We hope you enjoy Royston MusicFest '16 which is facilitated by Creative Royston and part of Royston Arts Festival. Each venue manages their own self-contained event and we ask that you treat the venue staff and performers, other visitors and members of the public with courtesy and consideration.
